

**PITTSGROVE TOWNSHIP SCHOOLS  
NORMA SCHOOL, ELMER SCHOOL, OLIVET SCHOOL**

**BREAKFAST PROGRAM**

Dear Parent/Guardian:

Pittsgrove Township Schools will have a breakfast program at Norma, Elmer and Olivet Schools. The first day that the breakfast will be served will be September 10.

Our food services department will serve a limited breakfast menu during the first few minutes of the instructional day in the classroom. Pre-ordered, pre-packaged servings will be served to students in the cafeteria at Norma and will be available at the lobby breakfast station at Olivet and Elmer. Foodservice workers and staff will distribute breakfast to the students.

On a weekly basis only, you may choose whether you wish your child to participate in the program. All students are eligible to order breakfast for each week. The cost for a paid breakfast will be \$1.35 per day. For those who qualify for the reduced lunch status, the cost for breakfast will be \$.30 per day and students receiving free lunch will be entitled to free breakfast. **No breakfast will be served on early dismissal or delayed opening days. Students must be on time and no later than 9:05 AM at Olivet and Norma and no later than 8:15 AM at Elmer to get the breakfast.**

Each week parents should send in an envelope requesting breakfast for their child and enclose a check made out to the Pittsgrove Cafeteria for the appropriate, full amount for the week. Daily rates are not available, only ordering/payment by the week will be accepted. Do not include lunch money payments in with breakfast money. The two programs are separate.

Students eligible for free lunch must order breakfast in advance by the week or call foodservice at 358-3094, ext. 4107 to arrange for breakfast for the year. A breakfast will not be prepared unless it is ordered in advance.

All envelopes, with child's name, teacher name and the payment enclosed, must be given to your child's teacher **no later than the Friday or last day of the week prior to the next week.**

We look forward to the successful continuation of this meal program.

Sincerely,

Norma, Elmer and Olivet Schools
